(b) if so. the names of the companies which provided such information and what are the details of each;

(c) what are the details of proposals cleared under Phased Manufacturing Programme under Drug Policy, 1986 and what is the position of each;

(d) what was the import content to ex-factory value in each case;

(e) whether Government are monitoring the imports of intermediates and penultimates; and

(f) if so, what was the total import of Drug intermediates/penultimates and other raw materials during the last three years, year-wise?

THE MINISTER OF STATE IN THE MINISTRY OF CHEMICALS AND FERTILIZERS (SHRI EDUARDO FALEIRO): (a), (b), (e) and (0 According to Para 6.7 of the Drug Policy 1986, "all companies manufacturing bulk drugs are required to submit to the Govt, their Phased Manufacturing Programme (PMP) proposals and the existing companies which import drug intermediates or their raw materials from their principals or their associated companies are required to inform the Government of the details of such transactions within a month of such import". However, the compliance by the Industry in this respect has been only partial. The background note on the Review of Drug Policy has been discussed in the House during the current session.

(c) and (d) The number of bulk drug manufacturing approvals, by fixing basic stages as required under PMP of the Drug Policy, is large.

Urea Production by Stadri Unit of FCI

4177. SHRI GAYA SINGH: Will the PRIME MINISTER be pleased to state :

(a) whether it is a fact that the Sindri Unit of the Fertilizer Corporation of India Ltd. is producing urea at its rated capacity and crossed the target fixed for the year 1992-93;

(b) if so, the samr level of production thereof for not achieving during the first half of the said year; and

(c) what are the plans of government for Sindri unit for continuing production?

THE MINISTER OF STATE IN THE MINISTRY OF CHEMICALS AND FERTILIZERS (SHRI EDUARDO FALEIRO): (a) and (b) The Sindri unit produced 2.95 Lakh tonnes of urea during the year 1992-93 against its annual rated/licensed capacity of 3.30 lakh tonnes. However, the unit produced more than the target of 2.48 lakh tonnes fixed for the year 1992-93. The production during first half of the year was lower than the second half due to equipment breakdown and liquidity problems.

(c) FCI is implementing a revamping scheme for Sindri unit at an estimated cost of Rs. 1623 crores, including a provision of Rs. 10.078 crores for revamping of its Captive Power Plant. FCI has already spent Rs. 4.46 crores on the scheme. FCI has also other schemes estimated to cost Rs. 33.30 crores for modernising their Sindri plant In the meantime, FCI has been declared a sick company by the Board for Industrial and Financial Reconstruction (BIFR) under the Sick Industrial Companies (Special Provisions) Act 1985.
